**RESPONSE:** The Children of God in response to docket #4815162342 have the following statements to make in regards to the issues presented against them and God The Father, Son, and Holy Spirit.

In response to charge A, God did create the world. This whole concept of evolution is based on falsehoods. If we have not finished evolving yet, what will we become next? The human body is a wondrous creation. The statistical probability of our molecular structure evolving as it did is off the charts. Looking around at the world's creations certainly show how beautiful The Lord's creative streak truly is.

In response to charge B, God did send The Son to suffer and die on the cross as means to satisfy our debt. He loved us so that He gave himself up to save us if only we believe in Him. Please bear this in mind from Revelation 20:10: *The Devil who deceived them was thrown into the lake of fire and sulfur where the beast and the false prophet are, and they will be tormented day and night forever and ever.* Therefore, yes, God is guilty of loving us and keeping us from Hell. Most conservative Christians will not say this, but "Satan, you can go to Hell."

In response to charge C, Jesus did refuse the devil when tempted because Satan, is beneath Jesus Christ. In fact, he is beneath Christ's heel. Christ told Satan, "**It is written, you will not tempt the Lord thy God.**" Jesus did not need Satan's frivolous bribes.

In response to charge D, Yes, Christ fed hungry people with fish. Yes, he helped his disciples catch more fish. He essentially helped the economy of the time by helping them catch so much. As far as the pigs go, Christ had removed demons from out of a man. His passion and love for us comes first. While we all love pork in one form or another, Christ holds and values our souls, His creations over pigs.

In response to charge E, Jesus died one time for the world. All who believe in Him are saved. Baptism is very important after the affirmation of faith. How does water save you? It does not. Christ's blood covers you and you are a new creation once you believe He is The Only Way to Heaven! Buddha, Shiva, that invisible man that makes folks blow up stuff, cows, and any other "god" can claim anything. However, it is The Living God, Lord Jesus Christ that can be felt, experienced, and known by His followers yesterday, today, and tomorrow until He comes again to receive us.

In response to charge F, If we believe that Jesus Christ is the Son of God, that He died for our sins and rose again on the third day, we are saved. After we believe, The Holy Spirit enters us. Our old way, our sins are forgiven and we live for Christ. He dwells in us.

In closing, I pray that all of you who read this see how stupid people are in this world when they accuse God of everything. It is a shame. If you are reading this as a Christian, pray for the lost that are doomed to hell because of their educated unbelief and their hope in Satan. You see Satan is the chief plaintiff. All of his secular minions have already lost. Victory truly lies in Jesus!
